Women in Computing at Cornell

Mission

WICC strives to **empower** women in technology.

If we **build a community** of students who **support** each other and **advocate** for themselves, we can make technology more **inclusive** for all.

Upcoming

- **WICC x ACSU Career Prep and Mock Interviews** through next week (1/29)

- **Mentorship Mix and Mingle** Thursday, 2/1

Reducing the tech gender gap with the help of

and more
